Feel the Fun!

Pool & Waterfront

The Clubhouse is the main gathering place for our members and offers a warmth and charm that draws you in and makes you glad you came.

Members enjoy the magical creations of our award-winning chef and the friendly service from our dining room staff at breakfast, lunch and dinner throughout the year.

The Lakeview Room is our banquet room which can seat from 60 to 100 people, depending on whether or not dancing is in your plans. It is the perfect spot for both members' private parties and Club social gatherings.

The beautifully situated 120' x 40' heated swimming pool, complete with a water slide, is the center of LVCC's waterfront activities. The pool patio snack bar, Cabana Bar, bathhouse lockers, and boat dock space for members make this the place to spend time with family and friends on a beautiful summer day.

Paddle boats, sunfish sailboats, paddle boards, and kayaks are available for member use. The Club offers instruction in both swimming and sailing to get you started on your summer fun.

Fitness Room

The newest addition to LVCC's facilities is our quiet and comfortable Fitness Room. Appointed with both aerobic and weight training equipment, it is sure to help you stay fit, especially on those days when inclement weather keeps you from taking advantage of the rest of what LVCC has to offer.

The Gamehouse includes our pro shop, locker rooms, and our 19th Hole Grill and Snack Bar, which contains an outside patio overlooking the golf course and picturesque lake. Members often meet for a game of cards or just to catch up after their golf game or tennis match.

The LVCC Social Calendar includes something for everyone. Events are scheduled monthly, ranging from a wine-tasting dinner to a comedy night or a dinner dance.

The heart of LVCC is the most beautiful and challenging golf course in the Northeast. Members enjoy the 18-hole course, a driving range, chipping and putting greens, locker rooms, an extensive pro shop, the 19th Hole Snack Bar and a professional golf staff.
