## POOL MANAGER

**Are you looking for summer employment?  
Perhaps you are an educator and have summers off.  
Perhaps you have worked as a lifeguard and swim instructor  
and want to step up to the next level?**

**Become a Pool Manager and provide leadership and direction  
to our pool staff! Lords Valley Country Club is currently  
accepting applications for our Pool Manager position.**

### POOL MANAGER JOB DESCRIPTION

The Pool Manager is responsible for the efficient and effective operation of the pool facility and for the health, safety and welfare of those using the club's swimming pool and waterfront area. The pool open/close season begins on Memorial Day weekend (Saturday May 25, 2019) and ends on Labor Day (Monday, September 2, 2019). This position entails up to a two week shoulder season in the Spring and the Fall for proper prep and closure.

#### General Responsibilities:

The Pool Manager will perform a variety of duties in planning, scheduling and maintaining the seasonal operation of the pool. Communication with management and the members is essential. Qualified candidate must have enthusiasm for promoting the pool as a fun and hospitable environment for all members.

The Pool Manager has overall responsibility for the safety at the pool and waterfront area, as well as managerial, administrative, facility, aquatic, safety and leadership duties.

#### Qualifications:

- Positive attitude and good work ethic
- Enjoys working with children and creating a fun but safe environment
- Experience in coaching and swim lessons
- CPR, AED and First Aid Certified
- Lifeguard Certification

#### Personal Traits:

- Friendly and outgoing demeanor
- Self-Starter
- Able to work in a team/committee environment
- Proven leader
- Able to manage subordinates
- Capable of handling challenging situations and personalities

Salary is commensurate with experience.  
Housing may be available for a qualified candidate.
